

STEWARDSHIP

St. Augustine, a doctor of the church, once wrote that the first, second, and third most important attitude in Christianity is humility. In today's second reading, Saint Paul is concerned with how we conduct ourselves in our community of faith. He urges us to let our conduct be worthy of the Gospel we say that we believe; and that it all begins with humility He asks us to consider others better than ourselves, and to serve them by looking out for their best interest, not ours. Consider how Saint Paul's appeal to imitating Christ's humility can enhance your relationships.
