

STEWARDSHIP

We can be grateful for the privilege and opportunities to choose and vote for those we wish to lead our communities and nation. With privileges there are also responsibilities. We must carefully consider candidates and voting issues. We also expect elected officials to serve ethically and morally, with care and justice for all.

The Catholic Foundation

"And 'to love him with all your heart, with all your understanding, with all your strength, and to love your neighbor as yourself' is worth more than all the burnt offerings and sacrifices." (MARK 12:33)

Of all the gifts that God gives us the one He wants the most is our heart. He wants us to share out of love, not out of obligation. Using our talent in parish ministry and contributing money to support our parish mission is important, but it's more important to spend time in prayer with God daily and discern how He is calling us to be generous with all of our gifts. Not just the visible ones, but the invisible ones like love, mercy and forgiveness.

Learn how to share your gifts and Catholic legacy by supporting your parish and contact The Catholic Foundation. Visit www.catholic-foundation.org/development for more information.
