

STEWARDSHIP

Jesus points out to his disciples the poor widow who has just dropped two simple copper coins into the temple treasury. He then delivers a teaching on stewardship. Despite her poverty, the poor widow in today's Gospel does not refuse God her generosity. Out of her desperately impoverished life she contributes to an earthly institution to give God glory and praise. It is not the monetary value of the gift that was important, but the love, trust and gratitude expressed through the gift. The Gospel asks us similarly compelling stewardship questions: What do we value? In what or whom do we place our trust? How do our own contributions to our community of faith reflect our generosity toward God?

The Catholic Foundation

"I say to you, this poor widow put in more than all the other contributors to the treasury. For they all contributed out of their abundance; but she out of her poverty has put in everything she had, her whole living." (MARK 12:43-44)

Jesus gets right to the point – we are all called to give money to support the mission of the Church, regardless of our circumstance. No gift is too small or insignificant! Giving money to support the mission of our local parish is a matter of our faith, just like praying and participating in parish ministries. When you make a financial offering, is it from your "first fruits" or from what is "left over"?
