

**STEWARDSHIP**

How would you spend your day if you knew it was the last day you would spend on earth? Undoubtedly, it would not be a normal day. The point of today's Gospel reading is that the end-time is always imminent. The good steward remains prayerfully alert, ready to give an accounting; and living each day in the awareness of the coming judgment and salvation. How do we exercise stewardship over our daily lives? Are we prepared to give an accounting? How will we allow Christ to work in and through us to prepare for the reconciliation of the heavens and the earth?

If their names are listed from previous years, they do not need to be relisted. **Also, the ones who have died from our parish this year, have already been listed.**
