

STEWARDSHIP

In today's Gospel reading, Jesus concludes his teaching about those who are "faithful and prudent stewards" with that classic stewardship teaching: "Much will be required of the person entrusted with much, and still more will be demanded of the person entrusted with more." Christian stewards recognize that God is the ultimate source of their gifts, talents, resources and aptitudes, and that God wants them to use these varied gifts in his service. This week might be a good time to reflect on our God-given gifts. Are we using those gifts to serve the Lord? If Christ came back to us unexpectedly tomorrow would we be able to give a full accounting of how we have exercised stewardship over these gifts?
