

STEWARDSHIP

In today's Gospel, Jesus offers a warning to those who pursue leisure and pleasure as their goal in life without concern for the poor and less fortunate. He tells the parable of the wealthy landowner who, upon yielding an exceptionally profitable harvest one year, determines that he will live the rest of his days in relaxation; to eat, drink and be merry. God calls the miser a "fool" and lets him know that his greed and self-indulgence will not bring him the security he seeks. Good stewards acknowledge that the money and possessions entrusted to them are to be used to further the mission of Jesus Christ. This week let us reflect on our own daily consumption habits. Do we spend money on articles that make us better ambassadors of Christ? Does our personal lifestyle bring "good news to the poor" (Luke 4:18)?
