

PARISH PASTORAL COUNCIL

09/21/2020

Attending: Colleen Lautar, Shirley Byal, Ernie Klingelhofer, Stacey Stacklin, Brianne Minter, Kathy Klingelhofer, Fr. Ed, Nick Klear. Excused was Stephanie Temple.

The meeting opened with a prayer by Fr. Ed.
Minutes from August 2020 were approved.

MAINTENANCE

- Fr. Received a quote for bat transference. There are colonies in all the buildings. They will set up a device to allow the bats to leave and not return. They would then seal all the openings. They need to complete this by October 31. Current quote is \$10,000. The quote is for the center and church. Need to add the rectory and convent. They will also disinfect and clean out bat guano and account for "bat lice".
- Asbestos survey indicated not much asbestos in the buildings. Some in front entrance of center in tile flooring. Good condition so no worries unless it frays or comes up. Some in music room in 9x9 grey green floor tile also in good condition. Office has some in second floor storage room. Rectory has 2x2 ceiling tile. Church basement ceiling boards all in fair condition. No remedial action is needed.
- Front Doors – quote was \$28,000 to replace. Looking at replacing lock at \$1700 and that money has been donated. They will also remove weatherproofing and look at inner doors to stop them from slamming.

SPIRITUAL LIFE

- PSR is going well. 10 families are involved in the ALIVE program, Stacey will put printouts of the programs in the back of the church for those who have internet issues or other problems. It is geared to older children.
- Fr. Ed talked to Brian Sprang about Fr. Ed taking over the website and creating a new website.
- Fr. Ed looking at online offertory.
- Flocknote appears to be going well

PARISH LIFE

- Church is getting a new sanitizer machine to spray pews after mass.
- Fr. Ed wants to start pastoral calls to homebound parishioners initially then parishioners who do not attend mass. Nick will help.
- OLL is starting Newman Club with ONU students. 15 people involved all activities on campus.

ADMINISTRATION/FINANCE

- Email Fr. Ed with any concerns.
- Phones were hit by lightning. Have a quote to upgrade and connect to internet.
